GREAT PRODUCTS & SPECIAL PRICES

HIGH SCHOOL RACING SUPER PACKAGE. This package makes no compromises. Racers are fully equipped for competition with a pair of Rossignol Zymax Skate Skis, a pair of Zymax Classic Skis (waxable), 2 pair for F4 bindings, 1 pair of Swix CT5 Comp Poles, and the Rossignol X8 Pursuit Boots. Coaches will be glad to have developing racers on properly fit, dedicated technique skis. Parents will be happy their young racer has only one pair of poles and boots to keep track of. Racers will just grin as they fly down the trail. Poles are cut to combi height - just below the chin. Prefer separate skate and classic poles? No problem, just add \$69 for a second pair. Skis can generally be fit to accommodate weight gain as the skier grows.

ZYMAX HIGH SCHOOL PACKAGE. \$596 PKG. REGULAR PRICE \$826.

JUNIOR COMBI RACE PACKAGE. This is the ideal package for juniors upgrading from waxless classic skis. The CRS Race Combi Ski provides great skating performance and, with a little kick wax underfoot, solid classic performance, as well. The Salomon Skiathlon Jr. Combi Boot provides excellent ankle support for improving both technique and confidence. Combi-length Swix Star Jr. Poles are rugged yet light enough for aspiring ski racers. Proven Auto Jr. Binding from Salomon makes it easy to get in and out. Intended for skiers up to 130lbs.

JUNIOR COMBI RACE PACKAGE. \$332 PKG. REGULAR PRICE \$373.

ECONOMY SKI BAG. Get organized with this bag! Fits up to 2 pair of 210cm skis plus poles. Lightweight with full-length zipper. #82-85111. \$31.50 WITH CANSKI DISCOUNT. REGULAR PRICE \$35.

Package pricing above exceeds the CANSKI 10% discount. You will always receive the better price.
